Cozy up and Catch up on
union business

Paying Site Reps?

In 2023-2024 we voted as a union to close the union office, giving our union some additional funds we can put towards strengthening our Membership and Advocacy work. What will that look like? We need your input. We are starting with a brief 2 question survey [HERE](#).

Design Our Logo!

Rep Council voted to change our union logo because (among other reasons) the font is hard to read, it doesn't represent education and the tree is MPUSDs logo, and elicits ideas of Carmel.

We are seeking rough draft submissions for a logo design that focuses on education. Send your submission to mbtahelp@gmail.com by the end of December.

Bargaining Updates

Bargaining will take place **THIS Thursday December 5th** and again on December 18th. Wear your bargaining buttons and be on the look out for updates!

Union Leader Visit

Our Leadership team is coming out to sites this month to join a 10 minute meeting and update you on bargaining, benefits and more. Ask your Rep when your meeting is!

Newcomer Student Supports

Our CPPD Committee is working together to help all of us who are supporting Newcomer students on our campuses. Click on [THIS RESOURCE](#) and consider joining the Community of Practice at the end to engage further in the work and advocacy for our students.
